

Email Template for Introducing a Hotshot-Based Mentor/Mentee Program

Hi [Mentor/Mentees],

We're excited to share that this year we'll be incorporating Hotshot's video-based learning platform into our mentorship program. This resource will provide structure for your mentor-mentee discussions by giving everyone a strong foundational knowledge of the information that will be covered in the sessions. If you haven't already signed up for your Hotshot account, you can do so [here](#).

We'll be hosting a demo session on [date] to help you get started.

Thank you
